# Project Showcase

## Dubai, United Arab Emirates

Our products are installed in various projects across Dubai. We have installed our Jomar Valve products in many of the record-breaking sites that have witnessed international recognition.

Dubai will be the host of Expo 2020.

## Hamad International Airport Doha, Qatar

We have installed Jomar Valve products at the new Hamad International Airport in Doha, Qatar. This project is a key investment in preparation for the 2022 FIFA World Cup to be hosted in Qatar.
